

College of Engineering

Aerospace Engineering

(www.ae.msstate.edu)

Aeronautics Concentration
Astronautics Concentration

Biological Engineering

(www.abe.msstate.edu)

Biomedical Engineering
Concentration

Chemical Engineering

(www.che.msstate.edu)

Bimolecular Concentration
Practice Concentration
Research and Development
Concentration

Civil Engineering

(www.cee.msstate.edu)

Environmental Engineering
Concentration

Computer Engineering

(www.ece.msstate.edu)

Computer Science

(www.cse.msstate.edu)

Electrical Engineering

(www.ece.msstate.edu)

Industrial Engineering

(www.ise.msstate.edu)

Mechanical Engineering

(www.me.msstate.edu)

Petroleum Engineering

(www.che.msstate.edu)

Software Engineering

(www.cse.msstate.edu)

Certificate Programs Available to all Engineering Majors:

Automotive Engineering
Computational Biology
Engineering Entrepreneurship
Information Assurance
Manufacturing
Materials

****Pre-Professional Programs:***

Medical School
Dental School
Veterinary Medicine
Law School

**A baccalaureate degree in engineering or computer science can serve as excellent preparation for entry to a professional school. Please let your advisor know of this desire and they can work with you in ensuring you take the proper pre-requisite courses.*
