

### Faster Delivery of Your Immigration Documents

## STOP!

This form is only for international students who have completed the on-line application and who DID NOT complete the "Expedited Mail" form available with the application. If you have already completed the "Expedited Mail" form when you applied online, please do not fill out this form. Doing so will cause you to be charged twice and the fee is non-refundable!

**Undergraduates:** If you have not yet applied for admission to MSU and would like to do so online, please visit <http://apply.msstate.edu/>. When you submit your application for admission you can complete the "Expedited Mail" form available with the application if you choose to do so. Otherwise, standard airmail will be used to deliver your official immigration documents.

**Graduates:** If you have not yet applied for admission, please visit <http://grad.msstate.edu> and click the "apply now" button. Once you are admitted, you can submit this form to have your documents sent through express mail.

**You will be charged a \$75 non-refundable fee and your documents will be sent through DHL to the address listed below.**
